INFORMATION ASSURANCE TRAINING CENTER  
US ARMY SIGNAL CENTER FORT GORDON, GA

## Welcome to the Cyber Electro Magnetic Activities (CEMA) Division

The Information Assurance (IA) Division, U.S. Army School Cyber Leader College, provides high quality Information Assurance/Computer Network Defense training and certification for Department of Defense personnel worldwide.

We provide training primarily for Department of Army personnel, but have also trained personnel from all services and other federal agencies to include: U.S. Air Force, U.S. Navy, U.S. Marine Corps, U.S. Coast Guard, Department of Defense civilian and contract employees, Department of Energy, and the Federal Aviation Administration.

The branch is also responsible for research, course development, and the distribution of course materials to our satellite sites worldwide. We make every effort to remain on the cutting edge of technology and safeguard the Army's networks.

Army has moved to one completion certificate
