 - (5) Ensure sponsors and sponsored Soldiers have adequate time away from assigned duties to perform sponsorship duties and complete in-processing as appropriate.
 - (6) Provide sponsors and the Sponsorship Program Manager with adequate resources to accomplish sponsorship duties.
 - (7) Ensure Families are integrated into the unit and community through the use of family readiness groups and other community resources.

5. Sponsorship is more than transmitting needed information. A properly managed program can resolve potential problems which otherwise may cause hardships to new arrivals. Fulfilling personnel needs initially will enable new Soldiers to better commit themselves to the readiness of USASMA.
