MEMORANDUM FOR ALL ASSIGNED/ATTACHED PERSONNEL, US ARMY SERGEANTS MAJOR ACADEMY, FORT BLISS, TX 79918

SUBJECT: Policy Memorandum # 10, **Smoking or Using Tobacco Products**

1. Reference: AR 600-63, Army Health Promotion, dated 14 Apr 15.
2. Purpose: To outline the Commandant's policy on smoking and use of tobacco products at USASMA.
3. The following guidelines will be followed.
  - a. Smoking and use of all other tobacco products, to include "smokeless e-cigarettes" in all buildings belonging to the USASMA is prohibited. There will be no smoking within 50 feet of any entranceway into a building or thoroughfare into the USASMA campus. Rule of thumb is that if non-smokers use the passageway then smokers need to be 50 feet clear of that route.
  - b. Smoking is prohibited in all government vehicles.
  - c. It is the supervisor's responsibility to provide guidance and ensure compliance during break periods.
  - d. All supervisors will reinforce this policy to their Soldiers, civilians, and contracted personnel. Smokers are responsible for maintaining the area in a high state of police at all times and not discard smoking related items on USASMA grounds.
